

ADAM WALEED HATEM AHMED HOSSAMELDEN

Computer Science Graduate | Full-Stack Web Development | Internship Ready

Athens, Greece | +30 694 398 9888 | adamwaleedhossamelden@hotmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFILE

Computer Science graduate with hands-on experience building full-stack web applications using React, Node.js, Express, and MySQL. Experienced with REST APIs, authentication, database integration, responsive interfaces, and academic software projects. Seeking an internship or junior opportunity to apply technical skills in real-world development environments.

EDUCATION

BSc (Hons) Computer Science - Mediterranean College, Athens

Completed college requirements in 2026; official digital degree expected July 2026.

TECHNICAL SKILLS

Frontend: React, JavaScript, HTML, CSS, Vite, React Router

Backend: Node.js, Express, REST APIs, JWT, PHP

Databases: MySQL

Programming: Java, Python, C/C++

Tools & Platforms: Git, GitHub, Postman, Linux

Other: API testing, authentication, responsive design, database integration

PROJECTS

Attendance Management System - React, Node.js, Express, MySQL

- Built a full-stack system for managing students, sessions, and attendance records.
- Implemented REST API integration, database operations, admin workflows, attendance tracking, and reporting features.

CoS-BA Bias Auditor - React, Vite, Node.js, MySQL, JWT, Recharts

- Developed a full-stack platform for uploading AI-generated content, reporting bias, reviewing submissions, and managing reports.
- Created dashboard-style pages with authentication, moderation features, charts, and database-backed report management.

Library Management System - React, Node.js, JavaScript

- Created a web application for managing books and core library operations with a clean user interface.

Restaurant Management System - Java, MySQL, API Testing

- Built a management system for restaurant operations with database integration and API testing.

LANGUAGES

Arabic (Native), English (Very Good), Greek (Basic)
